Welcome to SSL and Related Companies

Southern Supplies Limited (SSL) has come a long way since its humble beginnings in 1982, and is now a major player in the supply of industrial equipment, pipe, valves and fittings, tools, and hardware in the region.

Founded as a family business - and with the aim of being the preferred supplier to the industries we service- our ambition and values have seen us grow into a group of five companies with a reputation for being both trustworthy and dependable. Always aware of our roots, we seek to provide an open and friendly atmosphere when dealing with our customers, while at the same time providing a robust and professional service that caters to the rapidly changing needs of industry.

Our strategic local and international partnerships with some of the world's leading brands, manufacturers and suppliers, together with a dynamic and responsive international supply chain, allow us to fulfill just about any demand that a customer can bring us.

That's why the difference is always Southern.
