COMPRESSOR 13G 1.3HP125PS

The Campbell Hausfeld 13 Gal., horizontal air compressor (DC130000) is ideal for any workshop or garage. The oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable. The compressor features large wheels and a sturdy rubber grip steel handle, making this unit portable and easy to transport. This air compressor can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more. Operates on a 120-Volt household current. 125 Max psi, 3.8 CFM at 90 psi. Finish your projects faster and easier with Campbell Hausfeld the Air Power Expert.

- 125 maximum PSI offers plenty of power to tackle a variety of projects
- Oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable, while still providing high motor output
- Can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more
- Oversized wheels and a rubber grip steel handle make this unit portable and easy to store
- Horizontal design makes the unit easy to store under a workbench or in a garage while leaving a small product footprint
- 13 Gal. horizontal, oil-lubricated 3.8 CFM 1.3HP 120-Volt 10

The screenshot displays the ShopSSLtt.com website interface. The main product page features a large image of the Campbell Hausfeld 13G 1.3HP125PS compressor. The product title is "COMPRESSOR 13G 1.3HP125PS". The price is listed as "TTD \$1,999.95". A description states: "Be the first to review this product. The Campbell Hausfeld 13 gallon horizontal air compressor (DC130000) is ideal for any workshop or garage. The oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable. The compressor features large wheels and a sturdy rubber grip steel handle making this unit portable and easy to transport. This air compressor can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more. Operates on a 120-volt household current. 1.25 Max PSI: 3.8 CFM @ 90 PSI. Finish your projects faster and easier with Campbell Hausfeld - The Air Power Expert." The page also shows an "Add to Cart" button and a "Notify me when the price drops" option. An inset window shows an eBay listing for the same product at a price of \$317.80. Below the main product image, there are several smaller images of related products, including a Campbell Hausfeld PowerPal Air Compressor for \$99.50, a Campbell Hausfeld Pancake 6 Gallon Air Compressor for \$162.80, and a Campbell Hausfeld Air Compressor for \$15.95. The bottom right of the screenshot shows a detailed view of the Campbell Hausfeld Air Compressor 1.3 HP Gallon DC130000, with a price of US \$392.58.

Imagine a one person crew, no heat, no trucks, no weather delays, minimal road closures—and you never have to come back.

Would that save you money?

EZ Street is a polymer-modified cold asphalt guaranteed to permanently repair potholes, utility cuts, overlays, and edge repairs in asphalt or concrete. EZ Street is currently being used by State DOT's across the country in bulk and bag form. Not only does EZ Street work in ALL weather conditions, it even works in water.

EZ Street cold patch asphalt is easy to apply and requires no mixing or tack coat. Simply sweep the area, fill the area with EZ Street cold patch asphalt and compact with a shovel or car tire. It really is EZ!

The EZ Street Cold Patch Advantage

EZ Street is a polymer-modified high-performance industry-changing asphalt guaranteed to permanently repair potholes, utility cuts, overlays and edge repairs in asphalt or concrete. Not only does EZ Street asphalt work in ALL weather conditions, it even works in water. No matter the location, the weather, or the time of day, EZ Street asphalt is quick, effective, permanent and requires a minimal installation crew. It really is EZ!

Guaranteed Permanent

EZ Street cold asphalt repair is guaranteed permanent. Do it right the first time. Patch potholes or close utility cuts permanently with EZ Street cold patch.

Works in Water & ALL Weather

Potholes don't wait for nice weather. EZ Street cold asphalt can be applied directly into a water-filled pothole or other asphalt repair on a cold or rainy day.

No Mixing, No Tack Coat

EZ Street cold patch requires no mixing and no tack coat. It can be applied directly onto a wet or dry surface with no preparation whether the application be an asphalt overlay, pothole repair, utility cut or edge repair.

Instantly Ready for Traffic

As soon as initial compaction is complete, the EZ Street asphalt repair is ready to open up to traffic. Finishing the job faster means fewer labor and equipment hours and reduced traffic risks for workers and the travelling public.

Ready to Use, Easy to Use

No special equipment required. EZ Street cold asphalt is ready to use right out of the bag making it perfect for applications ranging from driveway repair to parking lot repair to road repair.

DOES IT REALLY REQUIRE A LOT TO FIX A POTHOLE?

NOT WITH EZ STREET ASPHALT!

	HOT MIX	EZ STREET ASPHALT
Equipment Required	Generally heavy equipment is needed for transport and application.	No Special equipment required. Ready to use out of the bag
Personnel Required	Requires site visit from contractor and associated fees.	Only one (1) person is required.
Weather Condition Required	Requires hot weather and the area needs to be prepped and dry.	Works in any weather condition and can even be applied <u>IN WATER</u> .
Completion Time	Usually takes 48-72 hours for foot and vehicle usage.	Instantly ready to use after compaction
Mixing and Road Prep	Mixing and Road Preparation is required from heavy equipment	Absolutely no equipment and minimal preparation is required, if any.
Cost	Consists of a site visit fee, mobilization fee, labour and contingency costs.	TT \$260.00 per 50LB bag
