Kreg Jig K4

The Easy Way to Build with Wood!

- Removable Drill Guide for benchtop and portable use
- For use with materials from 1/2" to 1 1/2" thick
- Hardened-steel drill guides feature a lifetime warranty
- Removable Drill Guide is great for making home repairs
- Wood-chip relief holes keep the drill bit clear of excess wood chips

TT\$
787.50

VAT INCLUSIVE

The Kreg Jig K4 is the perfect choice for do-it-yourselfers and anyone new to pocket-hole joinery. Whether you're building your first set of garage storage shelves or making simple repairs around the house, the Kreg Jig K4 can help you finish the job in less time, and with far less effort than you ever thought possible. Its simple design gives you the confidence you need to get started, and you'll have your project finished in no time with joints as easy as 'Drill. Drive. Done!'

The 3-hole Drill Guide lets you make perfectly placed pocket holes in a wide variety of material widths and thicknesses—from 1/2" to 1 1/2" in 1/8" increments. Every Kreg Drill Guide features a hardened-steel core that carries a lifetime guarantee. The core shrouds the bit and supports the workpiece through 100% of the drill-stroke, resulting in minimal bit deflection, reduced tear-out, and a clean, pluggable pocket hole.

The large clamping recess makes it easy to secure your jig to your workbench using Kreg multi-purpose Face Clamps or any common bar clamp or C-clamp.

The Kreg Jig K4's rear-mounted clamp design has been around since the first Kreg Jig. Its proven design offers incredible rigidity and uncompromising workpiece holding strength. Adjustments are as easy as releasing the lock nut and rotating to the correct setting.

Imagine a one person crew, no heat, no trucks, no weather delays, minimal road closures—and you never have to come back.

Would that save you money?

EZ Street is a polymer-modified cold asphalt guaranteed to permanently repair potholes, utility cuts, overlays, and edge repairs in asphalt or concrete. EZ Street is currently being used by State DOT's across the country in bulk and bag form. Not only does EZ Street work in ALL weather conditions, it even works in water.

EZ Street cold patch asphalt is easy to apply and requires no mixing or tack coat. Simply sweep the area, fill the area with EZ Street cold patch asphalt and compact with a shovel or car tire. It really is EZ!

The EZ Street Cold Patch Advantage

EZ Street is a polymer-modified high-performance industry-changing asphalt guaranteed to permanently repair potholes, utility cuts, overlays and edge repairs in asphalt or concrete. Not only does EZ Street asphalt work in ALL weather conditions, it even works in water. No matter the location, the weather, or the time of day, EZ Street asphalt is quick, effective, permanent and requires a minimal installation crew. It really is EZ!

Guaranteed Permanent

EZ Street cold asphalt repair is guaranteed permanent. Do it right the first time. Patch potholes or close utility cuts permanently with EZ Street cold patch.

Works in Water & ALL Weather

Potholes don't wait for nice weather. EZ Street cold asphalt can be applied directly into a water-filled pothole or other asphalt repair on a cold or rainy day.

No Mixing, No Tack Coat

EZ Street cold patch requires no mixing and no tack coat. It can be applied directly onto a wet or dry surface with no preparation whether the application be an asphalt overlay, pothole repair, utility cut or edge repair.

Instantly Ready for Traffic

As soon as initial compaction is complete, the EZ Street asphalt repair is ready to open up to traffic. Finishing the job faster means fewer labor and equipment hours and reduced traffic risks for workers and the travelling public.

Ready to Use, Easy to Use

No special equipment required. EZ Street cold asphalt is ready to use right out of the bag making it perfect for applications ranging from driveway repair to parking lot repair to road repair.

DOES IT REALLY REQUIRE A LOT TO FIX A POTHOLE?

NOT WITH EZ STREET ASPHALT!

	HOT MIX	EZ STREET ASPHALT
Equipment Required	Generally heavy equipment is needed for transport and application.	No Special equipment required. Ready to use out of the bag
Personnel Required	Requires site visit from contractor and associated fees.	Only one (1) person is required.
Weather Condition Required	Requires hot weather and the area needs to be prepped and dry.	Works in any weather condition and can even be applied <u>IN WATER</u> .
Completion Time	Usually takes 48-72 hours for foot and vehicle usage.	Instantly ready to use after compaction
Mixing and Road Prep	Mixing and Road Preparation is required from heavy equipment	Absolutely no equipment and minimal preparation is required, if any.
Cost	Consists of a site visit fee, mobilization fee, labour and contingency costs.	TT \$260.00 per 50LB bag

COMPRESSOR 13G 1.3HP125PS

The Campbell Hausfeld 13 Gal., horizontal air compressor (DC130000) is ideal for any workshop or garage. The oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable. The compressor features large wheels and a sturdy rubber grip steel handle, making this unit portable and easy to transport. This air compressor can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more. Operates on a 120-Volt household current. 125 Max psi, 3.8 CFM at 90 psi. Finish your projects faster and easier with Campbell Hausfeld the Air Power Expert.

- 125 maximum PSI offers plenty of power to tackle a variety of projects
- Oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable, while still providing high motor output
- Can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more
- Oversized wheels and a rubber grip steel handle make this unit portable and easy to store
- Horizontal design makes the unit easy to store under a workbench or in a garage while leaving a small product footprint
- 13 Gal. horizontal, oil-lubricated 3.8 CFM 1.3HP 120-Volt 10
