FULLY DIGITAL

The RAZORWELD RWX7000 ADF DIGITAL welding helmet is a high quality Solar and Battery operated helmet incorporating RAZORBLUE lens technology. The helmet features 4 independent Arc sensors and has an impressive 3.94" x 3.28" viewing area. The fully Digital operation for Shade, Sensitivity, Delay and Weld/Grind control make this a standout product. The Memory functions allows the operator to store different shade, sensitivity and delay options. Our helmet is lightweight, beautifully designed and offers excellent neck and head protection. This high quality and affordable Electronic Helmet make it a standout on today's market and we offer a 2 year warranty. The RWX7000 helmet comes stacked with extra features and comes complete in a color box and is fully assembled.

RWX7000 Automatic Welding Helmet

4 Arc Sensors

Maintain constant sensing and automatically switches the helmet from light to dark and back again.

Enhanced Viewing Area

Offers a larger viewing area for the operator. This larger viewing area enhances the operators view of the welding area

RAZORBLUE Colour

High Definition Filter Technology is a feature that greatly improves the optics allowing the user to see a full spectrum of colours. It also helps to alleviate eye fatigue making it safer for extended periods of welding.

Operator Comfort

Lightweight Design makes wearing the welding helmet more comfortable for the operator.

Memory Function

Allows the operator to store different shade, sensitivity and delay options into three easily accessible pre-sets.

Grind Mode

Allows the operator to switch the helmet from the welding mode into a fixed shade for grinding. This function removes the need for the operator to change visors and to simply use the welding helmet for grinding when required.

Shade Control

Automatic Welding Lens allows the operator to switch between variable welding shades from 5-9 and 9-13. The switching speed of the lens is a very fast 0.04m/s from light to dark.

Lincoln 6010

Cellulosic coated MMA/SMAW electrode for welding large-diameter pipe lines in the vertical-down position known as "stove -piping". Used for root and hot passes as well as filling and capping up to X52 Grade pipe. Also used for root passes on higher-strength pipe steels, up to X80. When root pass welding, negative polarity is recommended. Excellent weldability in all positions.

COMPRESSOR 13G 1.3HP125PS

The Campbell Hausfeld 13 Gal., horizontal air compressor (DC130000) is ideal for any workshop or garage. The oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable. The compressor features large wheels and a sturdy rubber grip steel handle, making this unit portable and easy to transport. This air compressor can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more. Operates on a 120-Volt household current. 125 Max psi, 3.8 CFM at 90 psi. Finish your projects faster and easier with Campbell Hausfeld the Air Power Expert.

- 125 maximum PSI offers plenty of power to tackle a variety of projects
- Oil-lubricated, cast-iron pump design makes this air compressor long lasting and reliable, while still providing high motor output
- Can be used for a variety of pneumatic jobs including inflating tires, operating air nailers and air staplers, powering air ratchets and more
- Oversized wheels and a rubber grip steel handle make this unit portable and easy to store
- Horizontal design makes the unit easy to store under a workbench or in a garage while leaving a small product footprint
- 13 Gal. horizontal, oil-lubricated 3.8 CFM 1.3HP 120-Volt 10

The screenshot displays the ShopSSLtt.com website interface. At the top, there's a navigation bar with 'HOME', 'ALL CATEGORIES', 'HANDTOOLS', 'POWERTOOLS', 'AIR TOOLS', 'MRO', and 'USED MACHINERY'. The main content area features a product listing for 'COMPRESSOR 13G 1.3HP125PS'. The product image shows a blue and black Campbell Hausfeld air compressor. The price is listed as TTD \$1,999.95. Below the main product, there are several smaller product listings, including 'Campbell Hausfeld PowerPal Air...', 'Campbell Hausfeld Pancake 6 Gallon...', and 'Campbell Hausfeld Air Compressor...'. An eBay listing for a similar product is also visible, priced at \$317.80. The bottom section of the screenshot shows a detailed view of the 'Campbell Hausfeld Air Compressor 1.3 HP Gallon DC130000' with a price of US \$392.58.
